

Editorial Policy

We at *SupaSistaLatina* value your privacy and information – for that reason, we savvy mujeres would not sell or rent our subscription list – it’s against our principles and the very thing we hate to receive – unwanted, unsolicited emails from ‘estrangeros’ – Dios, how annoying!

At *SupaSistaLatina*, we seek out products, services & events we know our subscribers (that’s you) would appreciate hearing about & love. We do not get paid to express ‘positive’ reviews or recommendations on products, services or events. After all, that’s online nonsense cramping our style and yours, no? *SupaSistaLatina* does not want that.

SupaSistaLatina would not be able to provide our subscribers with quality content unless we have supporters & sponsors! These supporters & sponsors need to highly align with our mission – that is, to bring the best to our deserving subscribers! If our emails are paid for by sponsors – know that *SupaSistaLatina* also genuinely recommends the product & service provided by our sponsor! Keeping up the integrity and quality of our online offerings and maintaining loyalty to our fabulous subscribers is what *SupaSistaLatina* is all about.

SupaSistaLatina will make sure we clearly indicate on any email subject line, that this is a “**Sponsored Luv SSL**” email. *Afterall*, what’s not to love, right chica!
